SECTION I

PLAN OF THE EXAMINATION

The competitive examination comprises two successive stages.

2. The Preliminary Examination will consist of two papers of Objective type (multiple choice questions) and carry a maximum of 450 marks in the subjects set out in sub-section (A) of Section II. This examination is meant to serve as a screening test only; the marks obtained in the Preliminary Examination by the Candidates who are declared qualified for admission to the Main Examination will not be counted for determining their final order of merit. The number of vacancies to be admitted to the Main Examination will be about twelve to thirteen times the total approximate number of vacancies to be filled in the year in the various Services and posts. Only those candidates who are declared by the Commission to have qualified in the Preliminary Examination in a year will be eligible for admission to the Main Examination of that year provided they are otherwise eligible for admission to Main Examination.

part of the Main Examination as may be fixed by the Commission at their discretion shall be summoned by them for an interview for a Personal Test.

However, the papers on Indian Languages and English will be of qualifying nature. Also see Note (ii) under para 1 of Section II (B). The interview will carry 250 marks (with no minimum qualifying marks).
